Dear friend,

We are a group of high school students from Long Island, NY to host **Music for Love Concert** event to support funding for the research of Linear Scleroderma. This noteworthy event will be held on Saturday January 26th, 2019 at the Harvest Church in Little Neck.

This evening will begin with an auction showcasing fabulous raffle prizes. This is where you can help! We hope that you would consider contributing to your vast array of items. No donation is too big or small. Examples include gift cards, jewelry, electronics, sporting and event tickets etc. Be creative!

By donating you will be directly supporting the scientific research for the treatment and cure of Linear Scleroderma. Join us as we commit ourselves to helping children afflicted with this rare and disfiguring disease. Make a difference in life and leave a Lasting Mark!
